

REMARKS

Applicant responds to the Office Communication of August 29, 2005.

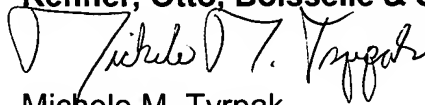

The Examiner submits that the Amendment filed on June 29, 2005 was not fully responsive to the prior Office Action as the Amendment recited claims 13-17 as being withdrawn. However, the listing of claims submitted with the Amendment recited claims 13-17 as cancelled. The Examiner has requested a correct listing of claims.

Applicant submits herewith a corrected version of the listing of claims, showing claims 13-17 as withdrawn from consideration.

Applicant believes that the Amendment is now fully responsive to the prior Office Action and respectfully requests reconsideration and a timely issuance of a notice of allowance for claims 4-7.

Respectfully submitted,
